

## Organizations that Support Fort Worth Parents

Local community centers, churches, and nonprofit organizations can help you get involved in your child's education. For example, some organizations offer parent trainings that can help you learn how to request and have positive conferences with teachers, counselors, and school administrators. Here is a brief list of some organizations working with students and parents in the community:

ORGANIZATION	WEBSITE	PHONE	After School	Parent Resources	Tutoring	College Readiness	Recreation	Camp / Summer	Service	Classes	Counseling
